Skills & Abilities

I both speak and write French and English fluently. I am a creative and autonomous person who loves challenges. I'm passionate about various fields of digital arts; sound, image, motion and interactivity are the core elements of my practice. Visit simondemeule.com to take a look at my portfolio.

I am competent with a vast array of digital creation and editing tools, enabling me to work with still or animated images and sound: Adobe Illustrator, Photoshop, Premiere Pro, After Effects, Blender, Ableton Live. I am also competent in the field of digital photography, videography and sound recording.

I have a good understanding of object-oriented programming and I am comfortable with Java and Javascript. I am also familiar with web design, CSS and HTML.
